

MOBILE projector accessories

Portable Screen

78-6972-0059-6

Give your presentations a professional make-over with the 3M™ Portable Screen. Easy to setup and easy to carry, project vibrant images onto this screen for everyone to see. A guaranteed consistent performance with the Portable Screen and 3M™ Pocket Projector Combination.

- + High gain screen doubles the brightness of a projected image compared to a traditional screen
- + Expands to 26" diagonal wide format screen size
- + Durable metal construction
- + Collapses to 4" x 16" x 2 5/8" for easy fit in a backpack or a briefcase

Remote

MP180: 78-6972-0035-6

MP410: 78-6972-0103-2

MP220: 78-6972-0074-5

Direct your presentation from almost anywhere in the room.

- + Keep the focus on your presentation, not on your projector
- + Present in seamless style with fewer cables and more control.

WP7200

Wireless Presenter

WP-3009-1456-0

Control your presentation from up to 32 feet away with the 3M™ Wireless Presenter. Free yourself to focus on your audience, not your laptop!

- + Page up/Page down, Blank Screen, Esc, alt+Tab and laser pointer
- + Convenient plug and play - no installation required
- + 2X AAA batteries included
- + Compatible with Windows 98/SE/ME/2000/XP, Mac OS, Linux, Vista, Win 7

Tripod

78-6972-0073-7

The 3M™ Tripod provides steady support for your projector and image. Works with all 3M Mobile Projectors. It's a snap to set up – ready, set, show! Mount your mobile projector and move the pan head in almost any direction for the perfect view.

- + Twist lock extendable legs up to 12" to quickly adjust the height.
- + Easy 2-way pan head, project images on the wall or the ceiling!
